

Special Section on “Cytology and Cytogenetics in Higher Plants” - Invitation

We are happy to invite you to submit a paper for a Special Section on “Cytology and Cytogenetics in Higher Plants” in *Plant Science Today*. Both Research and Review papers are welcome for possible publication in this section.

This special section is being edited by:
Dr. Sonali Dey (Sengupta)
Department of Botany
A.P.C. Roy Govt. College, Siliguri
West Bengal-734010, India

The topics of interest for this section include:

1. Classical cytology and cytogenetics including chromosomal aberrations
2. Cytology and cytogenetics in relation to biodiversity
3. Cytological and cytogenetical aspects of evolutionary pattern
4. Cytology and Environment
5. Cytology and plant breeding

The due-date for submissions is **15th February 2016**, and the target publishing date is **1st April 2016**.

You may submit your paper by e-mail at sonalidey71@gmail.com or online at <http://horizonpublishing.com/journals/index.php/PST/about/submissions>

Please specify the title of the special section (Cytology and Cytogenetics in Higher Plants) in the subject if you submit by E- mail or in the cover letter if you submit online.

Benefits of the special section

Contributors/authors: On special consideration, the publication fee for accepted articles in the special section is reduced to: \$ 100. Authors are requested to pay this fee only upon acceptance of the article. Our fee waiver policy offers to waive or further reduce the publication fees for authors who cannot pay the full amount charged for publication, remains in effect. We do not want fees to prevent the publication of worthy work.

Thank you for your time and consideration in this matter. We would appreciate it if you could let us know at your earliest convenience (but no longer than three weeks please) whether or not you will be submitting a paper. We are looking forward to hear from you soon!

With kind regards,
Dr. Sonali Dey (Sengupta)
Editor of the Special Section
