

**Supplementary Table S1.** List of ethnomedicinal plants reported by earlier studies in Gujarat (India) for curing skin-related diseases

Sr. No.	Scientific Name	Family	Habit	Parts used	Disease	Dosage	Region	Ref.
1	<i>Nelumbo nucifera</i> Gaertn.	Nelumbonaceae	Aquatic Herb	Flower	Increase beauty of skin	The flower paste is applied on face to increase the beauty of the skin	Dharampur, SG	(43)
2	<i>Cyperus difformis</i> L.	Cyperaceae	Herb	Tuber, Leaves	Boils and Blisters	Decoction made out of the mixture of tubers and leaves, take one tablespoon with lukewarm water twice a day is given	Kachchh	(44)
3	<i>Achyranthes aspera</i> L.	Amaranthaceae	Herb	Leaves	Skin Disease	Leaves are pasted and mixed with very little amount of water and applied on the affected part in various skin diseases, twice a day	Kachchh	(44)
				Bark	Itching	-	Kachchh	(45)
				Inflorescence	Ringworm	Inflorescence is crushed and applied on ringworm	Vadgam, NG	(46)

4	<i>Pupalia lappacea</i> (L.) Juss.	Amaranthaceae	Herb	Leaves	Boils	The leaf decoction is highly recommended in the treatment of boils	Kachchh	(44)
5	<i>Solanum forskalii</i> Dunal	Solanaceae	Herb	Leaves	Warts and tumours	The leaves are soaked in warm water and dried in sunlight for three days. It is then grinded in pestle mortar mixing it with mustard oil and camphor. The paste is applied externally to cure warts and tumours	Kachchh	(44)
6	<i>Moringa concanensis</i> Nimmo ex Dalzell & A.Gibson	Moringaceae	Tree	Leaves	Skin tumour	The leaf paste is used for treatment of skin tumour	Kachchh	(44)
7	<i>Grewia tiliifolia</i> Vahl	Malvaceae	Tree	Bark, Stem	Skin disease	The extract of bark and stem is used for skin disease	Kachchh	(44)
8	<i>Senegalia senegal</i> (L.) Britton	Fabaceae	Tree	Gum	Skin disease	The gum extracted from the bark of the tree is dissolved in water and the solution is used in skin disease	Kachchh	(44)

9	<i>Cordia perrottetii</i> A.DC.	Boraginaceae	Tree	Leaves	Skin disease	The decoction of the leaves is used for skin disease	Kachchh	(44)
10	<i>Vincetoxicum spirale</i> (Forssk.) D.Z.Li	Apocynaceae	Climber	Leaves	Skin disease	Leaf paste is used for external application in skin issues	Kachchh	(44)
11	<i>Sclerocarpus africanus</i> Jacq.	Asteraceae	Herb	Leaves	Skin disease	Thick slurry of the leaves soaked in water is mixed with refined sugar and tamarind and given 1 tablespoon twice a day to cure skin disease	Kachchh	(44)
12	<i>Grewia villosa</i> Willd.	Malvaceae	Shrub	Bark	Boils, Abscess	The bark is crushed and infused to help treat boils, abscesses	Kachchh	(44)
13	<i>Oxalis corniculata</i> L.	Oxalidaceae	Herb	Leaves	Skin trouble	Leaf decoction is given	Anand, CG	(45)
14	<i>Lablab purpureus</i> (L.) Sweet	Fabaceae	Herb	Leaves	Ringworm	Leaf paste is applied over ringworm	Vadgam, NG	(46)
				Leaves	Septic boils	Leaf paste roasted with clarified butter is applied as poultice over septic boils		

15	<i>Allium cepa</i> L.	Amaryllidaceae	Herb	Bulb	Boils	Paste of bulb is applied to the boils	Vadgam, NG	(46)
16	<i>Madhuca indica</i> J.F.Gmel.	Sapotaceae	Tree	Bark	Skin diseases	Bark paste is applied on skin disease	Vadgam, NG	(46)
17	<i>Senna sophora</i> (L.) Roxb.	Fabaceae	Shrub	Leaves	Scabies	Leaf paste is used in scabies and certain other skin diseases	Ratan Mahal, NG	(47)
18	<i>Cleome gynandra</i> L.	Cleomeaceae	Herb	Leaves and Seed	Skin Disease	Leaf juice and oil from seeds is used to cure skin diseases	Ratan Mahal, NG	(47)
19	<i>Heliotropium indicum</i> L.	Boraginaceae	Herb	Leaves	Boils	Direct applied leaf pastes on effected part	Anand, CG	(48)
20	<i>Phyllanthus nodiflora</i> (L.) Greene	Verbenaceae	Herb	Whole plant	Small boils	infusion of the plant applied externally in small boils on the body	Anand, CG	(48)
21	<i>Commelina benghalensis</i> L.	Commelinaceae	Herb	Leaves	Leprosy	Infusion of leaf is used in leprosy	Anand, CG	(48)
22	<i>Tridax procumbens</i> L.	Asteraceae	Herb	Leaves	Skin Disease	-	Mahesana, NG	(49)
23	<i>Diospyros montana</i> Roxb.	Ebenaceae	Tree	Fruit	Foot crack	-	Mahesana, NG	(49)
24	<i>Nyctanthes arbor-tristis</i> L.	Oleaceae	Tree	Leaves	Skin ailments	-	Dhandhuka, CG	(50)

25	<i>Lagenaria siceraria</i> (Molina) Standl.	Cucurbitaceae	Climber	Fruit	Skin disease	-	Dhandhuka, CG	(50)
26	<i>Premna serratifolia</i> L.	Lamiaceae	Tree	Root	Leprosy, Skin disorder	-	Dhandhuka, CG	(50)
27	<i>Drimia indica</i> (Roxb.) Jessop	Asparagaceae	Herb	Bulb	Boils	Boiled tuber and apply on boils	Godhra, NG	(51)
28	<i>Grangea maderaspatana</i> (L.) Poir.	Asteraceae	Herb	Leaves	Boils	Crush leaf with water and use on boil	Godhra, NG	(51)
29	<i>Euphorbia nivulia</i> Buch.-Ham.	Euphorbiaceae	Shrub	Latex	Boils	Latex applies on boils	Godhra, NG	(51)
30	<i>Meyna spinosa</i> Roxb. ex Link	Rubiaceae	Tree	Fruit	Pimples	Crush fruit and apply on pimple infected part, two time in day	Godhra, NG	(51)
31	<i>Citrus × limon</i> (L.) Osbeck	Rutaceae	Tree	Fruit	Pimples	Fruit juice mix with honey and apply on pimples	Godhra, NG	(51)
32	<i>Causonis trifolia</i> (L.) Mabb. & J.Wen	Vitaceae	Climber	Root	Pimples	Take root nodes and crush it, then paste apply on pimples	Godhra, NG	(51)
33	<i>Euphorbia hirta</i> L.	Euphorbiaceae	Herb	Whole plant	Pimples	-	Dhandhuka, CG	(50)
				Latex	Ringworm	Latex direct applies on ringworm	Godhra, NG	(51)
				Latex	Eczema	Latex is applied over eczema	Vadgam, NG	(46)
				Leaves	Ringworm	Leaves are crushed and		

						applied on ringworm		
				Whole plant	Warts	-	Jatashankar, Saurashtra	(52)
				Whole plant	Skin Disease	The whole plant is applied to the seat of infection by suppressing	Waghai, SG	(53)
34	<i>Sapindus trifoliatus</i> L.	Sapindaceae	Tree	Fruit	Skin disease	-	Jatashankar, Saurashtra	(52)
35	<i>Mitragyna parvifolia</i> (Roxb.) Korth.	Rubiaceae	Herb	Bark, Fruit	Skin diseases, Pimples	-	Jatashankar, Saurashtra	(52)
36	<i>Piper longum</i> L.	Piperaceae	Climber	Root, Fruit	Skin disease	-	Jatashankar, Saurashtra	(52)
37	<i>Acalypha indica</i> L.	Euphorbiaceae	Herb	Whole plant	Skin disease	-	Jatashankar, Saurashtra	(52)
38	<i>Dalbergia sissoo</i> Roxb. ex DC.	Fabaceae	Tree	Stem, Leaves	Leprosy, and Skin disease	-	Jatashankar, Saurashtra	(52)
39	<i>Merremia emarginata</i> (Burm.f.) Hallier f.	Convolvulaceae	Herb	Whole plant	Skin disease	-	Jatashankar, Saurashtra	(52)
40	<i>Trichosanthes dioica</i> Roxb.	Cucurbitaceae	Climber	Leaves, Fruit, Seed	Skin disease	-	Jatashankar, Saurashtra	(52)
41	<i>Nerium oleander</i> L.	Apocynaceae	Shrub	Root, Bark	Skin disease	-	Jatashankar, Saurashtra	(52)
42	<i>Gardenia gummifera</i> L.f.	Rubiaceae	Tree	Gum	Skin disease	-	Jatashankar, Saurashtra	(52)

43	<i>Solanum nigrum</i> L.	Solanaceae	Herb	Leaves, Fruit	Skin disease	-	Jatashankar, Saurashtra	(52)
44	<i>Elephantopus scaber</i> L.	Asteraceae	Herb	Whole plant	Pimples	-	Jatashankar, Saurashtra	(52)
45	<i>Alstonia scholaris</i> (L.) R.Br.	Apocynaceae	Tree	Bark, Leaves	Leprosy	-	Jatashankar, Saurashtra	(52)
46	<i>Clematis gouriana</i> Roxb. ex DC.	Ranunculaceae	Climber	Leaves	Skin disease	The leaves are crushed and applied to the skin	Waghai, SG	(53)
			Herb	Whole plant	Skin Disease	-	Dhandhuka, CG	(50)
				Inflorescence	Burns	Ash of inflorescence effective on burns	Anand, CG	(48)
				Root and Leaves	Abscess	Roots and leaves are pounded and poultice is made, it is applied on abscess	Dahod, NG	(54)
48	<i>Alangium salviifolium</i> (L.f.) Wangerin	Cornaceae	Tree	Seed	Boil	Used as accrue for boil	Dang, SG	(55)
				Bark	Skin Disease	-	Jatashakar, Saurashtra	(52)
				Root	Skin Disease	Root paste or decoction is used to cure skin diseases	Ratan mahal, NG	(47)
				Bark, Leaves	Skin Disease	Bark/leaves paste applied on skin	Sasan Gir, Saurashtra	(56)

49	<i>Cleome viscosa</i> L.	Cleomeaceae	Herb	Leaves	Boils	Juice of leaves is applied on boils	Dang, SG	(55)
50	<i>Dendrocalamus strictus</i> (Roxb.) Nees	Poaceae	Tree	Shoot	Astringent	From the hollow internodes a white substance is obtained (vans kapur) used This siliceous material from the culms is used two times a day for one month as astringent	Dang, SG	(55)
51	<i>Ensete superbum</i> (Roxb.) Cheesman	Musaceae	Shrub	Shoot	Chickenpox, Measles	White kernel in honey given to children against chickenpox and measles	Dang, SG	(55)
52	<i>Curculigo orchoides</i> Gaertn.	Hypoxidaceae	Herb	Root	Skin disease	Poultice of root is applied in skin disease	Dang, SG	(55)
53	<i>Ficus arnottiana</i> (Miq.) Miq.	Moraceae	Tree	Bark	Skin disease	Decoction of bark is used in skin diseases	Dang, SG	(55)
54	<i>Annona reticulata</i> L.	Annonaceae	Tree	Fruit	Skin disease	Fruit with urine of cow applied on skin	Sasan Gir, Saurashtra	(56)
55	<i>Lawsonia inermis</i> L.	Lythraceae	Shrub	Leaves	Skin disease	Rub the leaves & applied on skin	Sasan Gir, Saurashtra	(56)
56	<i>Momordica dioica</i> Roxb. ex Willd.	Cucurbitaceae	Climber	Root	Skin disease	Root paste	Sasan Gir, Saurashtra	(56)

57	<i>Ticanto crista</i> (L.) R.Clark & Gagnon	Fabacea e	Shrub	Fruit	Skin disease	Fruit paste applied on skin	Sasan Gir, Saurashtra	(56)
58	<i>Combretum albidum</i> G.Don	Combre taceae	Liana	Leaves	Skin disease	Dry leaves powder applied on skin	Sasan Gir, Saurashtra	(56)
59	<i>Remusatia vivipara</i> (Roxb.) Schott	Araceae	Herb	Root	Skin disease	Root paste applied on skin	Sasan Gir, Saurashtra	(56)
60	<i>Pandanus odorifer</i> (Forssk.) Kuntze	Pandan aceae	Tree	Root	Skin disease	Rub the root on stone add sugar and applied on skin	Sasan Gir, Saurashtra	(56)
61	<i>Dendrophthoe falcata</i> (L.f.) Ettingsh.	Loranth aceae	Shrub	Whole plant	Skin disease	Plant juice, leaf paste applied on skin	Sasan Gir, Saurashtra	(56)
62	<i>Cadaba fruticose</i> (L.) Druce	Cappar aceae	Shrub	Root, Leaves	Skin disease	Root, leaves juice twice a day	Sasan Gir, Saurashtra	(56)
63	<i>Vitex negundo</i> L.	Lamiac eae	Tree	Leaves	Skin disease	Leaf paste applied on skin	Sasan Gir, Saurashtra	(56)
64	<i>Cissus quadrangular is var. quadrangular is</i>	Vitacea e	Climbe r	Stem	Skin disease	Powder form of plant is orally consumed	Sasan Gir, Saurashtra	(56)
65	<i>Clitoria ternatea</i> L.	Fabacea e	Climbe r	Seed, Flower	Skin disease	Seed powder with water or flower paste applied on skin	Sasan Gir, Saurashtra	(56)
66	<i>Parthenium hysterophorus</i> L.	Asterac eae	Herb	Leaves	Skin disease	Leaf paste applied on skin	Sasan Gir, Saurashtra	(56)

67	<i>Annona squamosa</i> L.	Annonaceae	Tree	Root, Leaves	Skin Disease	Root/Leaves powder applied on skin	Sasan Gir, Saurashtra	(56)
68	<i>Leptadenia reticulata</i> (Retz.) Wight & Arn.	Apocynaceae	Climber	Leaves	Ringworm	Paste of fresh leaves is applied on ringworm	Gandhinagar, CG	(57)
69	<i>Justicia adhatoda</i> L.	Acanthaceae	Shrub	Leaves	Scabies	Decoction of the leaves makes a good application for scabies and other skin diseases	Gandhinagar, CG	(57)
70	<i>Azadirachta indica</i> A.Juss.	Meliaceae	Tree	Leaves	Skin Disease	Fresh juice of leaves with salt applied externally skin disease	Dang, SG	(55)
				Whole plant	Chicken pox	Young twig used as antioxidant	Godhra, NG	(51)
				Leaves	Skin Disease	-	Jatashakar, Saurashtra	(52)
				Bark	Skin trouble	Barks used in skin troubles and boils	Gandhinagar, CG	(57)
				Bark	Abscess	Paste of inner bark is applied abscess		
				Leaves	Scabies, Ringworm, Eczema, Boils, Leprosy, Acne, Leucoderma	Paste of leaves applied on affected area		

					Chicken pox	The juice of leaves is given internally		
					Eczema	Decoction of leaves is employed for eczema		
				Fruit	Skin Disease	Decoction of fruit is used in skin diseases		
				Seed	Scabies	Seed oil is applied on affected part		
					Leprosy	Pulp of seed is employed in leprosy		
					Eczema, Scabies	Seed oil is applied on affected area		
				Leaves	Skin Disease	Leaves paste mixed with very little amount of water and applied on the affected part, twice a day	Kachchh	(44)
				Leaves	Sore, Blisters	Leaves Juice is also applied externally on skin suffering from various skin diseases like sores, blisters and skin diseases	Panchmahal, NG	(58)
				Leaves	Skin disease	Leaves extract with Mari and	Sasan Gir, Saurashtra	(56)

						Sindhav consumed orally		
				Leaves	Skin disease	Leaf is taken orally in the morning as blood purifier in skin disease	Vadgam, NG	(46)
				Stem bark	Boils	Stem bark paste is applied externally on boils		
				Seed	Ringworm	Seed oil is applied externally applied on ringworms and other skin diseases		
71	<i>Balanites aegyptiaca</i> (L.) Delile	Zygophyllaceae	Tree	Bark, Fruit	Burns, Skin disease	-	Jatashakar, Saurashtra	(52)
				Seed	Pimples	Seed paste is obtained by rubbing it with water and applied externally on pimple	Aravalli, NG	(59)
							Aravalli, NG	(60)
				Fruit	Skin disease	Ripe fruits of this tree species are used for treating skin diseases	Aravalli, NG	(59)
72	<i>Sphaeranthus indicus</i> L.	Asteraceae	Herb	Leaves	Skin disease	The leaves powder is used to treat in skin diseases	Dharampur, SG	(61)

73	<i>Punica granatum</i> L.	Lythraceae	Tree	Fruit	Retain skin health	The fresh fruit juice is taken to retain skin health	Dharampur, SG	(61)
74	<i>Plumeria rubra</i> L.	Apocynaceae	Tree	Bark	Scabies and Skin disorder	Bark paste is applied to cure Scabies and other skin disorders	Dharampur, SG	(61)
75	<i>Acorus calamus</i> L.	Acoraceae	Herb	Root	Skin disorder	The root paste is used as therapy for skin disorders	Dharampur, SG	(61)
76	<i>Garuga pinnata</i> Roxb.	Burseraceae	Tree	Fruit	Skin eruptions	Fruit pulp is applied on skin eruptions	Dharampur, SG	(61)
77	<i>Brassica juncea</i> (L.) Czern.	Brassicaceae	Herb	Seed	Skin eruptions	The seed oil is used as a remedy in skin eruptions	Dharampur, SG	(61)
78	<i>Clerodendrum inerme</i> (L.) Gaertn.	Lamiaceae	Shrub	Leaves, Root	Skin disease	The leaves and root extract are used in skin disease	Dharampur, SG	(61)
79	<i>Crossandra infundibuliformis</i> (L.) Nees	Acanthaceae	Shrub	Bark	Skin disease	Bark and turmeric paste are mixed and apply to skin disease of children	Dharampur, SG	(61)
80	<i>Crotalaria spectabilis</i> Roth	Fabaceae	Herb	Whole plant	Skin disease	The plant extract is used as a therapy in skin disease	Dharampur, SG	(61)

81	<i>Cuscuta chinensis</i> Lam.	Convolvulaceae	Climber	Whole plant	Skin disease	The whole plant boiled in water and this water is used to cure skin infections	Dharampur, SG	(61)
82	<i>Grona trifloral</i> (L.) H.Ohashi & K.Ohashi	Fabaceae	Herb	Root	Skin disease	Root extract is used externally in skin diseases	Dharampur, SG	(61)
83	<i>Dyschoriste vagans</i> (Wight) Kuntze	Acanthaceae	Herb	Leaves	Skin disease	The leaves mixture is used to cure skin diseases	Dharampur, SG	(61)
84	<i>Chromolaena odorata</i> (L.) R.M.King & H.Rob.	Asteraceae	Shrub	Leaves	Skin disease	Leaf pulp is used as a remedy in skin disease	Dharampur, SG	(61)
85	<i>Euphorbia antiquorum</i> L.	Euphorbiaceae	Shrub	Stem	Sores, Scabies	The stem pulp is used to cure skin diseases such as sores and scabies	Dharampur, SG	(61)
86	<i>Impatiens balsamina</i> L.	Balsaminaceae	Herb	Leaves	Skin disease	Leaf juice is taken in skin disease	Dharampur, SG	(61)
87	<i>Melia azedarach</i> L.	Meliaceae	Tree	Seed	Skin infection	The seeds oil is used externally on skin infection	Dharampur, SG	(61)
88	<i>Mirabilis jalapa</i> L.	Nyctaginaceae	Herb	Root	Scabies	The root paste is smeared in scabies and skin disorders	Dharampur, SG	(61)
89	<i>Parkia biglandulosa</i> Wight & Arn.	Fabaceae	Tree	Root	Skin infection	The root decoction is used to cure different skin infections	Dharampur, SG	(61)

90	<i>Solanum torvum</i> Sw.	Solanaceae	Herb	Fruit	Booster the skin health	The fresh fruit acts as booster the skin health	Dharampur, SG	(61)
91	<i>Trichodesma indicum</i> (L.) Sm.	Boraginaceae	Herb	Root	Skin infection	The root paste is used to treat skin infection	Dharampur, SG	(61)
90	<i>Ziziphus rugosa</i> Lam.	Rhamnaceae	Tree	Leaves	Skin disease	Leaf paste is used to treat externally on skin diseases	Dharampur, SG	(61)
93	<i>Jatropha curcas</i> L.	Euphorbiaceae	Tree	Latex	Skin disease	Latex from young shoot is applied on skin diseases	Dharampur, SG	(61)
94	<i>Carica papaya</i> L.	Caricaceae	Tree	Fruit	Improve beauty of skin	The pulp applies externally applied on face	Dharampur, SG	(61)
95	<i>Cassia fistula</i> L.	Fabaceae	Tree	Fruit	Skin disease	The sweet pulp of the fruit is used in skin diseases	Dang, SG	(55)
				Seed	Skin disease	The seed paste is used in curing skin disorders	Dharampur, SG	(61)
				Leaves	Skin disease	Juice of the leaves is used in skin diseases	Kaprada, SG	(62)
				Leaves and Root	Skin disease, Leprosy	-	Gandhinagar, CG	(63)
				Fruit, Bark, Leaves, Root	Leprosy, Ringworm	-	Aravalli, NG	(64)
				Leaves	Pimples	Leaves paste applied on pimples	Patan, NG	(65)

96	<i>Terminalia bellirica</i> (Gaertn.) Roxb.	Combretaceae	Tree	Fruit	Astringent	Fruits are bitter, work as astringent	Kaprda, SG	(62)
97	<i>Terminalia chebula</i> Retz.	Combretaceae	Tree	Fruit	Eczema	-	Aravalli, NG	(64)
98	<i>Peltophorum pterocarpum</i> (DC.) Backer ex K.Heyne	Fabaceae	Tree	Leaves	Skin disorder	-	Aravalli, NG	(64)
99	<i>Euphorbia neriiifolia</i> L.	Euphorbiaceae	Shrub	Latex, Bark	Skin disease	-	Aravalli, NG	(64)
100	<i>Salvadora oleoides</i> Decne.	Salvadoraceae	Tree	Whole plant	Skin disease	-	Patan, NG	(65)
101	<i>Lantana camara</i> L.	Verbenaceae	Shrub	Lantana essential oil	Skin itches	Lantana essential oil is sometimes used for the treatment of skin itches	Patan, NG	(65)
102	<i>Caryota urens</i> L.	Arecaceae	Tree	Bark, Seed	Boils	The bark and seed are used to treat boils	Patan, NG	(65)
103	<i>Albizia julibrissin</i> Durazz.	Fabaceae	Shrub	Bark	Leprosy	Bark extract used to cure leprosy	Patan, NG	(65)
104	<i>abernaemontana divaricate</i> (L.) R.Br. ex Roem. &	Apocynaceae	Shrub	Root	Astringent	The roots are astringent	Patan, NG	(65)
105	<i>Vachellia nilotica</i> (L.) P.J.H.Hurter & Mabb.	Fabaceae	Tree	Bark	Skin disease	Bark is used for skin disease	Sabarkantha, NG	(66)
				Gum	Skin disease	Milk with gum applied on skin	Sasan Gir, Saurashtra	(56)

				Bark	Skin disease	-	Mahesana, NG	(49)
106	<i>Aloe vera</i> (L.) Burm.f.	Asphodelaceae	Herb	Leaves	Boils	The pulp of leaves is applied on boils	Porbandar, Saurashtra	(76)
				Leaves	Healing on burns	Leaf gel apply on burn part	Godhra, NG	(51)
				Leaves	Scabies, Boils, Mastitis, Ringworm, Leprosy	Pulp of leaves is applied on affected area	Gandhinagar, CG	(57)
				Leaves	Restore skin tone	The lukewarm jelly of the leaf is spread over the area below eyes twice a day for a week to remove blacken area and to restore the original tone of the skin	Sabarkantha, NG	(85)
				Leaves	Burns, Skin problems	Leaf juice is used to apply in burns and skin problems	Narmada, SG	(68)
				Leaves	Skin disease	Leaves pulp used against skin diseases	Patan, NG	(65)
				Leaves	Rejuvenate skin	Gel applied on the face to rejuvenate skin	Patan, NG	(69)
				Leaves	Skin disease	Pulp of leaves directly applied on skin	Sasan Gir, Saurashtra	(56)

107	<i>Ipomoea obscura</i> (L.) Ker Gawl.	Convolvulaceae	Climber	Whole plant	Abscess	Crushed whole plant applied in abscess	Saurashtra	(70)
108	<i>Butea monosperma</i> (Lam.) Kuntze	Fabaceae	Tree	Flower	Skin disease	Flower boil in water and it used in body coolant and for the skin disease	Mahesana, NG	(49)
					Beauty care	Flowers are dried and crushed, mixed with milk and the paste is used in beauty care and to maintain complexion and suppleness of skin	Kachchh	(44)
109	<i>Commicarpus plumbagineus</i> (Cav.) Standl.	Nyctaginaceae	Herb	Root	Boils	Root paste or powder is mixed with lemon juice and apply twice a day on affected areas	Kachchh	(71)
110	<i>Glycosmis cochinchinensis</i> (Lour.) Pierre ex Engl.	Rutaceae	Tree	Leaves	Skin disease	-	Dang, SG	(72)
111	<i>Coriandrum sativum</i> L.	Apiaceae	Herb	Seed	Leprosy	-	Dang, SG	(72)
112	<i>Cocos nucifera</i> L.	Areaceae	Tree	Fruit	Skin disease	Ash of pericarp is applied on skin	Kachchh	(74)

113	<i>Zygophyllum indicum</i> (Burm.f.) Christenh. & Byng	Zygophyllaceae	Herb	Whole plant	Skin lesion	Water boiled with fresh leaves used to wash for animal	Kachchh	(74)
114	<i>Calotropis procera</i> (Aiton) W.T.Aiton	Apocynaceae	Shrub	Latex	Skin diseases	-	Jatashakar, Saurashtra	(52)
				Root	Leucoderma	Powder of roots and flowers used to cure Leucoderma	Kachchh	(82)
				Bark, Leaves	Leprosy	-	Aravalli, NG	(64)
115	<i>Holoptelea integrifolia</i> (Roxb.) Planch.	Ulmaceae	Tree	Whole plant	White patches of skin	The fresh leaf paste of the plant is applied topically over affected part of skin to cure white patches on the skin	Sabarkantha, NG	(85)
				Leaves	Ringworm	The fresh leaves were rubbed with slight water on the stone and paste is prepared and applied topically over infected part on the skin to cure ringworm	Aravalli, NG	(81)
						Leaf paste is applied topically over infected part on the skin to cure ringworm	Aravalli, NG	(86)
							Aravalli, NG	(84)
Sabarkantha, NG	(67)							
Vadgam, NG	(46)							

				Bark and Leaves	Skin disease	Bark and leaves powder applied on skin	Sasan Gir, Saurashtra	(56)
116	<i>Plumbago zeylanica</i> L.	Plumbaginaceae	Herb	Root	Ringworm	Paste is prepared from fresh root is applied topically on an infected part once a day for two days to cure ringworm	Bhiloda, NG	(67)
					Ringworm	root paste is applied topically over infected part once a day for two-three days to cure ringworm	Aravalli, NG	(86)
							Vadgam, NG	(46)
					Abscess	The root paste is applied on abscess	Dang, SG	(55)
					Skin diseases	-	Jatashakar, Saurashtra	(52)
						Roots are crushed and then boiled and given to drink as black tea	Waghai, SG	(53)
						Root paste is used to cure skin diseases	Ratanmahal, NG	(47)
117	<i>Pterocarpus marsupium</i> Roxb.	Fabaceae	Tree	Leaves	Skin diseases	leaf paste applied on skin	Sasan Gir, Saurashtra	(56)
118	<i>Syzygium cumini</i> (L.) Skeels	Myrtaceae	Tree	Seed	Skin diseases	Seeds are crush on stone surface and making	Sabarkantha, NG	(77)

						paste to apply on body, increase the sweet and relief from skin disease		
				Seed	Skin ailments	Seeds are pulverized and applied on the body for treating skin ailments	Aravalli, NG	(59)
				Stem bark	Healing of boils	The stem bark paste is applied topically over affected part and tied with cloth daily once at night for ripening and healing of the boils	Aravalli, NG	(86)
119	<i>Tinospora cordifolia</i> (Willd.) Hook.f. & Thomson	Menispermaceae	Climber	Leaves	Boils	Leaf paste is applied on boils	Gandhinagar, CG	(57)
				Whole plant	Skin diseases	Apply plant paste on the affected skin parts	Tapkeshwar, Kachchh	(71)
				Stem, Leaves	Leprosy	-	Jatashankar, Saurashtra	(52)
120	<i>Withania somnifera</i> (L.) Dunal	Solanaceae	Herb	Leaves	Acne, Spots, Skin disease	Leaves are crushed and applied on acne, spots and other skin disease	Vadgam, NG	(46)
				Root and Fruit	Skin diseases	Root/fruit paste applied on skin	Sasan Gir, Saurashtra	(56)

121	<i>Centella asiatica</i> (L.) Urb.	Apiaceae	Herb	Leaves	Leprosy	The leaves extract is used to cure skin diseases such as leprosy	Dharampur, SG	(61)
				Leaves	Psoriasis and Eczema.	The juice of leaf is used in skin diseases, especially in psoriasis and eczema	Kaprda, SG	(62)
122	<i>Torenia crustacea</i> (L.) Cham. & Schldl.	Linderniaceae	Herb	Whole plant	Skin disease	Whole plant is used to cure Skin diseases	Aravalli, NG	(80)
123	<i>Ailanthus excelsa</i> Roxb.	Simarubaceae	Tree	Bark	Skin disease	-	Aravalli, NG	(64)
							Mahesana, NG	(49)
							Jatashankar, Saurashtra	(52)
